

MICHIGAN SOCIETY OF ENROLLED AGENTS

July 23, 2019

Greetings Fellow Enrolled Agents,

I would like to share some of the important items that have happened recently in your association.

State Administrator:

Many of you have known that Mary Medonis, our state administrator, has regrettably tendered her resignation. Mary has been with the MISEA for 9+ years. She has been the most insightful, caring, and hardworking administrator that I have known. Mary at times has been the glue that held this association together. Her position with the Financial Planners Association has grown into full time plus.

While in transition she has graciously volunteered to train and assist our new state administrator.

WELCOME New Administrator Scott Newell:

A search committee headed by board members Dan Bosler & Steve Rainey, after many hours of interviews, recommended, offered, and hired Scott Newell to become the new administrator. Please be patient with Scott as he learns the MiSEA way. Feel free to drop him a line.

Yours truly,

Gary E. Skop, EA, ATA, ATP
